

SUN MOUNTAIN LODGE RE-OPENING

Dear Valued Guests,

Sun Mountain Lodge has been monitoring the evolving response and guidance from local and national officials regarding the coronavirus.

We have re-opened the Patterson Lake Cabins at Sun Mountain Lodge on Monday, May 18, 2020 for essential travelers, based on the Governor's guidelines.

A few rooms in the Gardner and Mt. Robinson buildings have also re-opened as of May 22 and the only resort service available is food and beverage on a pre-ordered, to-go basis.

No other services or amenities will be available at Sun Mountain Lodge until Phase 2 begins.

We will continue to monitor this situation and update this information as it becomes available.

More information on the Washington State Phase Plan is available [here](#).

Please contact our reservations department between 10am- 6pm at 800-572-0493 if you have any questions.

Thank you for your support and understanding. We look forward to seeing you at Sun Mountain Lodge very soon.

Sincerely,

*Brian Charlton
General Manager*
